

News Bulletin

December 2022

Kia ora,

Today we are bringing you a News Bulletin that invites you to submit on our FY2024 Work Programme and Levy Consultation Paper, includes a notice about Wellington Anniversary Day and advises you of our office shut-down period.

Your Views: Gas Industry Co FY2024 Work Programme and Levy Consultation Paper

Our planned work programme for FY2024, and the levy that industry participants will pay, is out for consultation.

You can read it [here](#).

Our industry self-regulatory model depends on industry participants having a say about our work programme plans. We held our annual co-regulatory forum earlier this month, and the work programme reflects the priorities discussed there. You can read the slides presented at the forum [here](#).

Please email your submission to consultations@gasindustry.co.nz by **5pm 7 February 2023**.

Wellington Anniversary Day 2023

Our Notice of Determinations by the Industry Body under the Gas (Downstream Reconciliation) Rules 2008, includes a determination that Wellington Anniversary is treated as a non-business day as long as the Allocation Agent is based in Wellington.

This continues to be the case and therefore Monday 23 January 2023 is a non-business day for the purposes of the Rules. This is in addition to the nationally-observed public holidays that are also non-business days under the Rules.

Office Hours over the Summer Break

Our offices are closed from Friday 23 December, reopening on Monday 9 January 2023.

Wishing you a safe and Meri Kirihimete.
