October 2022

Kia ora,

The **Gas (Facilities Outage Information Disclosure) Rules 2022** have been published.

The Rules 2022 have been made under Section 43Q of the Gas Act.

The Rules come into effect on **1 April 2023**. Gas Industry Co is currently investing in an enhanced Information Disclosure website to make it easier for participants to comply with new regulations.

The purpose of the rules is to provide for effective and timely disclosure of information regarding an unplanned outage or planned outage at a gas production facility or a gas storage facility for all gas and related market participants.

The rules can be found on our website, [here](#).
