Dear Ian

RE: GTAC Workshop Minutes 7-9 August 2018

This letter is on behalf of the Major Gas Users Group (MGUG) and responds to the request for comments by 3 September on the minutes of the GTAC Workshops held 7 – 9 August at GIC offices.

We note that while there are references to intra-day cycles in the minutes (Sections 2.2.4, 2.2.5 of 8 August and Section 2.2.4, 2.25, 2.3.1 of 9 August) there is no reference to the proposal to increase the number of intraday cycles from 4 to 7 nor to the proposal provided in the workshop materials (Block 2 Supporting Materials – Nomination Cycle Timing). The specific proposal appears to have been picked up in the draft agreement (Version 22945230 see Section 4.11) but in our view should be expressly acknowledged in the minutes. It has long been acknowledged as a necessary part of the tools needed to manage nominations and in our view should be included in the minutes. This could be included as a new 2.3.1 in the minutes of 9 August.

Yours sincerely
