## **Consultation on Proposed Variations to Exemptions under the Gas (Downstream Reconciliation) Rules 2008**

Submissions close 7 April 2010

Greymouth Gas New Zealand Limited (Greymouth Gas) is pleased to make a submission to the Consultation on Proposed Variations to Exemptions under the Gas (Downstream Reconciliation) Rules 2008 (the paper) and we welcome the opportunity to submit.

- 1) Do submitters support replacing the urgent exemption DR10-01-U for the Hunua 3 gas gate with a standard exemption under the same terms as the existing direct connect gas gate exemptions?**

Greymouth Gas supports replacing the Hunua 3 urgent exemption with a Hunua 3 standard exemption as this will treat all such exemptions the same from a policy perspective.

- 2) Do submitters support the proposed amendments to the standard exemption DR09-11-S for unmetered gas gates?**
