<p>Q1: <i>Do you agree or disagree with a continued relaxation of the 0800 hours deadline for the provision of information under rule 41? Please give reasons</i></p>	<p>For the allocation agent, the main issue is whether this is sufficient time between gate closure and publication. At present we have 24 hours between the day four (exempted) deadline of 1200 and the day five (exempted) deadline of 1200. Our main concern is to ensure that this time allowance be maintained. If the exemption is maintained on rule 41 then the exemption should be maintained on rule 48.</p>
<p>Q2: <i>If there is continued relaxation of the deadline via exemption, do you favour retaining the 1200 hours deadline or tightening the deadline to either 1000 or 1030 hours? Please give reasons.</i></p>	<p>No comment</p>
<p>Q3: <i>Vector's view is that the costs that would be incurred to enable information under rule 41 to be reliably provided by 0800 hours are too substantial to be justified by the benefits. Do you accept this view or do you think that further information should be sought? Please give reasons.</i></p>	<p>No comment</p>
<p>Q4: <i>Gas Industry Co's preliminary view is that there appears sufficient reason for the extension of an exemption to 30 September 2010, perhaps with a modified deadline. Do you agree or disagree with this view? Please give reasons.</i></p>	<p>No comment.</p>
