Dear John

MPOC Change Request 21 December 2012

Genesis Power Limited, trading as Genesis Energy, supports the Gas Industry Company's draft recommendation to approve the "MPOC Change Request - 21 December 2012". We agree that the proposals in this change request, to shorten the approval and confirmation times for shipper nomination cycles, will benefit the industry as a whole.

If you would like to discuss any of these matters further, please contact me on 04 495 6357.

Yours sincerely
