Dear Sir

**VTC Change Request Appeal - Submission**

Thank you for the opportunity to comment on the Gas Industry Company's (GIC) draft recommendation concerning the Vector Transmission Code (VTC) Change Request Appeal. Mighty River Power has considered the draft recommendation and agrees with the GIC's recommendations for Change Requests 4, 5 and 7. With respect to Change Request 6 we note that this has in fact been implemented and non Code shippers are discussing the appropriate wording for their Deeds of Amendment.

If you have any queries regarding our position please contact Jim Raybould [jim.raybould@mightyriver.co.nz](mailto:jim.raybould@mightyriver.co.nz) 06 348 7926 or 027 2163711.

Yours faithfully
