Subject: Genesis Energy submission on 'Action Item B - Agreed Hourly Profiles'

Hi Ben

Genesis appreciates First Gas undertaking to provide a further opportunity to comment on the drafting of five areas of the *Second Revised Draft GTAC*.

The following comments are in respect of 'Action Item B – Agreed Hourly Profiles'. We consider the marked-up provisions are an improvement on the previous drafting, and support this wording going to the GIC on 8 December. Our views on Agreed Hourly Profiles are expressed in our November 24 submission on the *Second Revised Draft GTAC*: please refer to this for any further information needed, or contact myself or Duncan Jared.

Look forward to catching up next week at the workshop.

Cheers,
Margie.
