Dear Ian

### **MPOC Change Requests May 2009**

1. Thank you for the opportunity to comment on the two proposed changes to the Maui Pipeline Operating Code (MPOC) Change Request proposed by MDL issued by the Gas Industry Company on 30 April and 21 May 2009. No part of our submission is confidential.
2. Mighty River Power has no objections to the two changes to the MPOC as proposed by MDL concerning:-
  - The reduction in the time required to change the Negative and Positive Mismatch prices; or
  - A revised definition of "Payback Point"
3. If you would like to discuss our views on the above matters in greater detail then please do not hesitate to contact me by email at [jim.raybould@mightyriver.co.nz](mailto:jim.raybould@mightyriver.co.nz) or by phone on 06 348 7926. Alternatively you can contact Sharron Came, our Regulatory Strategist at [sharron.came@mightyriver.co.nz](mailto:sharron.came@mightyriver.co.nz) or 04 460 4231.

Yours sincerely
