Dear Ian

MDL's MPOC Change Request Dated 30 April 2009

In accordance with section 29.4 of the Maui Pipeline Operating Code (MPOC) Maui Development Limited (MDL) has requested the Gas Industry Company (GIC) to make a written recommendation in respect of MDL's MPOC Change Request dated 30 April 2009.

Contact appreciates the opportunity to make a submission on MDL's Change Request.

Under the application MDL proposes amendment of section 4.1 of the MPOC to reduce the minimum notice period, from 7 Days to 1 Day, for MDL to make changes to the Negative Mismatch Price and Positive Mismatch Price. Contact supports MDL's proposal.

In addition, MDL proposes to change the reference to "days" under the "Frequency of Posting" heading for "Positive Mismatch Price" to "Days". Contact agrees with MDL's reasons for that proposal but thinks "days" should be amended to "Day" rather than "Days" since the requirement for prior notice will only be 1 Day.

Contact is happy to respond to any questions related to this submission.

Yours sincerely
