

**eMail received by Gas Industry Co at 4.32pm on Monday, 10 April**

I confirm that Wanganui Gas would support Option 5, the fixed levy per ICP, as described in your supplementary paper on the GIC Retail Levies for the year 2006-07.

Our one caveat is that the levy should be based on the active ICP's that retailers supply in the month that the levies are applied.

Please do not hesitate to call me if you would like to discuss the above in greater detail.

Regards  
Jim
