Dear Ian,

Registry Operator Service Provider Agreement – renewal notice

I refer to the Registry Operator Service Provider Agreement ['ROSPA' or 'Agreement'] between Gas Industry Company Limited and Jade Software Corporation (NZ) Limited, commencing 1 March 2018, relating to services provided by Jade Software Corporation as the Registry Operator.

Please be advised that, pursuant to clause 4.2 of the Agreement, Gas Industry Co wishes to exercise its option to extend the Agreement for a further term of three years from the expiry of the *Initial Term* (being 28 February 2025).

The expiry date of the *Second Term* of the Agreement will therefore, unless otherwise terminated under the Agreement, or the Gas (Switching Arrangements) Rules 2008, be **28 February 2028**.

I would like to take this opportunity to acknowledge the continuing high standard of Jade's performance of the Registry Operator role to date.

Yours sincerely

Andrew Knight
Chief Executive
