MPOC Transition Change Request 14 July 2017

On 14 July 2017, Gas Industry Co received a request from First Gas Limited (First Gas) to make changes to the Maui Pipeline Operating Code (MPOC). The changes aim to facilitate the transition to a new [Gas Transmission Access Code](#) (GTAC) by terminating the MPOC when certain conditions are met.

We now call for submissions from stakeholders on the Transition Change Request (TCR).

The TCR comprises:

- The change request application
- A marked-up copy of the MPOC

These documents, together with an indicative timetable for processing the TCR, are available [here](#).

Submissions on the TCR are invited by **5.00pm Friday 4 August 2017** and can be made [here](#).
