

Welcome to Gas Industry Co's *News Bulletin*, a periodic advisory of new and current consultations, workstream developments, publications and presentations.

In this issue:

- Material for the Second Revised Gas Transmission Access Code (GTAC) 17 November workshop is now available.

Material for the Second Revised Gas Transmission Access Code (GTAC) 17 November workshop is now available.

Following the First Gas presentation of the *Second Revised Draft GTAC* and subsequent stakeholder workshops (last Thursday and Friday), another workshop will take place this Friday, 17 November 2017. An updated agenda and additional material First Gas will present at Friday's workshop are listed in bold below. For completeness we have also listed material presented last week, which you may wish to refer to in preparing for the workshop.

- Second revised draft GTAC (clean)
- Second revised draft GTAC (marked up against September release)
- Summary of points made in submissions and First Gas' response
- Second revised draft GTAC (marked up in table format explaining changes)
- Second revised draft GTAC (clean in table format for further mark-ups)
- First Gas presentation of Second Revised Draft GTAC, for presentation tomorrow afternoon
- Gas Industry Co presentation of worked examples of GTAC assessment, for presentation on Friday morning
- **Completed table of items deferred until 2018 and TSO discretion**
- **Close out report on August workshop action items.**
