

Welcome to Gas Industry Co's *News Bulletin*, a periodic advisory of new and current consultations, workstream developments, publications and presentations.

In this issue:

- Gas Industry Co provides guidance for submitters and a template for submissions on the proposed Gas Transmission Access Code (GTAC).

Guidance for submitters and a template for submissions on the proposed Gas Transmission Access Code (GTAC).

In Gas Industry Co's 11 December 2017 News Bulletin we invited stakeholders to provide submissions to assist Gas Industry Co make an assessment of whether the 8 December Gas Transmission Access Code (GTAC) is materially better than the current terms and conditions of access to and use of the gas transmission pipelines. The deadline for submissions is **5.00pm on Monday, 15 January 2018**. Submissions can be made [here](#). The 8 December 2017 GTAC is available [here](#).

In making your submission, you can express whatever views and provide whatever supporting information you consider relevant to our assessment. However, you may find it helpful to read the guidance for submitters and use the submission template provided on Gas Industry Co's website [here](#).

The assessment process

Our indicative timetable for the GTAC assessment process is as follows:

Process	Date
Stakeholders provide submissions to Gas Industry Co on the final GTAC submitted to Gas Industry Co on 8 December 2017. Gas Industry Co seeks stakeholders' views on whether the GTAC is or isn't materially better than the existing arrangements, and reasons why	Monday, 15 January 2018
Gas Industry Co issues its preliminary assessment of the new GTAC for consultation with stakeholders	Friday, 2 February 2018
Stakeholders provide submissions to Gas Industry Co on the preliminary assessment of the new GTAC	Friday, 2 March 2018
Gas Industry Co issues its final assessment (termed a "final determination" in the MPOC)	Friday, 23 March 2018

Information on development of the GTAC can be found [here](#).
