- Gas Transmission Access Code (GTAC) – Second Revised Draft GTAC – Action Item D

## Gas Transmission Access Code (GTAC) - Second Revised Draft GTAC – Action Item D

First Gas has agreed to allow parties a further opportunity to comment on five areas of the Second Revised Draft GTAC that are being amended in response to comments raised at the November workshops (and subsequently in parties' submissions and mark-ups).

The five areas are summarised in items A-E of the November workshop action points. First Gas will release a brief cover memo on each of the areas, along with selected code provisions showing mark-ups from the Second Revised Draft GTAC released on 3 November.

The first area is the liabilities section of the GTAC (Action Item D on the November workshops action points list) available on Gas Industry Co's website [here](#). First Gas welcomes any comments or mark-ups on these provisions **by 5pm, Wednesday 6 December**. Submissions can be made [here](#), or by emailing Ben Gerritsen [ben.gerritsen@firstgas.co.nz](mailto:ben.gerritsen@firstgas.co.nz). All submissions will be published on Gas Industry Co's website.

First Gas would also like to remind stakeholders of the industry workshop being held on Tuesday 12 December where it will discuss status of the action items from the November workshops. RSVP details and agenda items can be found below.
