Gas Transmission Access Code (GTAC) - Second Revised Draft GTAC – Action Items for consultation

First Gas has agreed to allow parties a further opportunity to comment on five areas of the Second Revised Draft GTAC that are being amended in response to comments raised at the November workshops (and subsequently in parties' submissions and mark-ups).

The five areas are summarised in items A-E of the November workshop action points. First Gas will release a brief cover memo on each of the areas, along with selected code provisions showing mark-ups from the Second Revised Draft GTAC released on 3 November.

The first area is the liabilities section (Action Item D), and this was released in Gas Industry Co's News Bulletin on 30 November. Submissions can be made [here](#), or by emailing Ben Gerritsen Ben.gerritsen@firstgas.co.nz

The second area is agreed hourly profiles in section 4 of the GTAC (Action Item B on the November workshop action points list). Submissions can be made [here](#), or by emailing Ben Gerritsen Ben.gerritsen@firstgas.co.nz.

The third area is pricing and limits on transmission incentives and ERM charges under the GTAC (Action Item C on the November workshop action points list). Submissions can be made [here](#), or by emailing Ben Gerritsen Ben.gerritsen@firstgas.co.nz.

First Gas welcomes any comments or mark-ups on the above action items by **5pm, Wednesday 6 December**. All submissions received will be published on Gas Industry Co's website [here](#).

First Gas memo on transmission incentive charge rebates

At one of the recent workshops, First Gas agreed to prepare a note explaining its proposal to rebate transmission incentive charges in the same way as priority rights revenue. That note is available on Gas Industry Co's website [here](#).
