Draft recommendation - 14 July MPOC Transition Change Request

On 14 July 2017, Gas Industry Co received a request from First Gas Limited (First Gas) to make changes to the Maui Pipeline Operating Code (MPOC). The MPOC Transition Change Request (TCR) aims to facilitate transition to a new gas transmission access code (GTAC) when certain conditions are met.

Gas Industry Co has considered submissions received on the TCR, including submissions on First Gas's supplementary documents, and decided to make a draft recommendation to support the TCR.

The Draft Recommendation on 14 July 2017 MPOC Transition Change Request (Draft Recommendation) is available [here](#).

Submissions on the Draft Recommendation are invited by Monday 16 October 2017 and can be made [here](#).
