Welcome to Gas Industry Co's *News Bulletin*, a periodic advisory of new and current consultations, workstream developments, publications and presentations.

In this issue:

- GTAC workshop – 21 June 2018

GTAC workshop – 21 June 2018

First Gas has made some minor corrections and clarifications to the proposed workplan published on Tuesday.

The revised version uses the term 'transmission fees' instead of pricing and includes a paragraph under the workshop outline explaining the purpose of the 'top priorities' and that all stakeholders are welcome to attend all workshops. The workplan can be found [here](#).

The agenda for the GTAC workshop on Thursday 21 June 2018 can be found [here](#).
