An energy price comparison site

- Powerswitch is a totally free, independent service, brought to users by Consumer NZ with support from the Ministry of Consumer Affairs
- Powerswitch allows you to work out which energy company and pricing plan is best for you.
- Supported by a comprehensive and regularly updated database of electricity and gas prices
- Recent developments to the site have been funded by the Electricity Commission

An energy price comparison site

- Addition of **gas pricing** enabling users to compare the annual costs of gas, electricity and dual fuel
 - dual fuel comparisons include bundles where different suppliers offer each utility as well as where one company offers both utilities

LPG

- RockGas
- Genesis Energy
- Nova Energy
- Elgas have declined to participate
- Still waiting for a decision from OnGas
