**Senior Legal Adviser**

# **PROPOSED AMENDMENTS TO THE GAS GOVERNANCE (COMPLIANCE) REGULATIONS 2008 (the Regulations)**

- **Create a power for the Market Administrator and the Investigator to amend alleged breach notices (once submitted).**
- **Remove the requirement for service providers to agree to any settlement reached.**
- **Clarify the interrelationship between the 20-day rule, and the ability for urgent hearings of the Rulings Panel.**
- **Clarify reporting requirement of the Market Administrator**
- **Align confidentiality requirements on the Market Administrator when permission is given to disclose**
