

NEWSbulletin

17 July 2018

Welcome to Gas Industry Co's *News Bulletin*, a periodic advisory of new and current consultations, workstream developments, publications and presentations.

In this issue:

- GTAC workshop presentations, draft minutes and process matters

GTAC workshop presentations, draft minutes and process matters

The presentations and draft minutes from the GTAC workshops held on 10, 11 and 12 July 2018 can be found [here](#).

Stakeholders may provide comments on the draft minutes by 5.00pm, Tuesday 24 July 2018. Comments can be made [here](#).

First Gas has advised that it is currently considering revisions to its work programme (in particular, use of the spare workshop dates – 22 & 23 August 2018). Further information will be provided as soon as possible.

The Independent Facilitator has advised that stakeholders who wish to raise agenda items for future workshops should contact Gas Industry Co with the proposed item, supporting documents and an indication of the time required for the presentation. Stakeholders should endeavour to raise matters at least seven days prior to the relevant workshop. Gas Industry Co will inform the Independent Facilitator of the proposed agenda item.
