4 May 2020

Kia ora, and welcome to the Gas Industry Company's *News Bulletin* - a periodic advisory of new and current consultations, workstream developments, publications and presentations.

In this issue we cover:

- **REMINDER:** CCO annual test exercise

## REMINDER: CCO annual test exercise

On Friday 1 May 2020 we reminded stakeholders of The Critical Contingency Operator (CCO) annual test exercise. Please note that the correct day for the test exercise - *Exercise Hohoro* - is **Wednesday, 6 May 2020**, not Tuesday as was inadvertently advised in that News Bulletin.

A Participants Brief for *Exercise Hohoro*, and the training slides following an online training session is available on the CCO's website [here](#).
