Dear Richard

**Extension to Term of Allocation Agent Service Provider Agreement**

I am pleased to confirm that Gas Industry Co will exercise its option, pursuant to clause 2.3 of the General Terms, to extend the Term of the Allocation Agent Service Provider Agreement until 4 October 2023.

While it is important to demonstrate value for our stakeholders by periodically putting our service provider contracts out to market, we consider that an extension is the best option for Allocation Agent at this time.

We would like to acknowledge the ongoing high standard of your performance of the Allocation Agent role to date and we look forward to your continued focus on the allocation system and services in the coming years.

With this extension, the expiry of the current Term of the agreement becomes 4 October 2023.

Yours sincerely
