## **DRAFT CHANGE REQUEST - VTC EXTENSION TO 2017**

### **Proposed change to VTC**

1 Pursuant to *section 25.7* of the Vector Transmission Code posted on OATIS and effective as at 1 April 2015 (*Code*), Vector hereby notifies Shippers of its wish to amend the Code, as follows:

1.1 delete section 20.2 of the Code and replace that section with the following:

“Except for *section 2.7 (e)(i)*, the terms and conditions of this Code expire from the end of 30 September 2017.”; and

1.2 delete from item 2 of Schedule Seven:

“End Date: [no later than 30 September 2015]”

and replace with

“End Date: [no later than 30 September 2017]”.

### **Reasons for the proposed change to VTC**

2 The proposed amendments set out in paragraph 1 are necessary to extend the term of the Code by 2 years.

### **Nature, intended impact and effect of amendments**

3 The effect of the Final Change Request will be to extend the term of the Code by 2 years.

**Effective date of change request**

- 4 The Final Change Request will become effective on the date it is approved in accordance with the Code.

**Changes to timeframes**

- 5 The amendments proposed in this Draft Change Request must become effective before 30 September 2015, i.e. before the Code expires. Therefore, Vector requests Shippers' agreement under *section 25.15(a)* of the Code to a reduction in the normal periods for consultation and response in relation to this Draft Change Request.
- 6 Specifically, Vector requests Shippers to agree that the periods specified in *sections 25.8* and *25.9* of the Code will expire at 5 pm on Wednesday 19 August 2015.
- 7 Please give this Draft Change Request your earliest consideration. Shippers should approve Vector's request set out in paragraph 6 by an e-mail in reply to the e-mail to which this letter is attached.

**General**

- 8 Unless the context requires otherwise, capitalised terms in this Draft Change Request have the meaning given to them in the Code.
